

ACGME MILESTONES INITIATIVE

J. Thomas McLarney, M.D.
Associate Professor of Anesthesiology
Medical Director, Anesthesiology Pre-
Operative Assessment Clinic
Director, Center for Simulation
University of Kentucky College of Medicine

ACGME Concept of the Milestones

•..important markers, applied in a periodic fashion, to ensure residents, the program and the public that basic measures of educational progress are in line with comparable programs and general expectations...

Thomas J. Nasca, M.D., MACP, CEO, ACGME Bulletin, Sept 2008

•..the milestones are the articulation of the level of performance expected at entry into the unsupervised practice in each specialty...Thomas J. Nasca, M.D., MACP, CEO, ACGME Bulletin, May 2008

ACGME Concept of the Milestones

The intent is clear.

Safety

Fosters professionalism and commitment to patients

Physicians entering practice have demonstrated the educational outcomes in all the domains of clinical competency...Thomas J. Nasca, M.D., MACP, CEO, ACGME Bulletin, Sept 2008
