

A Match for  
Anesthesiology  
Fellowships

November 2, 2012

***Mona M. Signer***  
***Executive Director***

# NRMP Matching Programs

## Main Residency Match

- 38,000 applicants
- 4,400 programs
- 26,800 PGY-1 and PGY-2 positions

## Specialties Matching Service

- 24 fellowship matches
- 47 subspecialties
  - 7,000 positions
  - 9,000 applicants

# Benefits of a Match

- Allows applicants and programs to consider all options before making decisions
- Creates an impartial venue for matching programs' and applicants' preferences
- Establishes a uniform date for appointments to GME programs
- Produces a “stable marriage”

# Why Should Program Directors Want a Match?

***It's the right thing to do for applicants:***

- Professionalizes recruitment process
- Eliminates undue pressure on trainees to select a program before all interviews are complete
- Allows “late bloomer” decisions
- Reduces “career change” dropouts

# Why Should Program Directors Want a Match?

## ***It levels the playing field among programs:***

- Programs can interview more applicants
- Eliminates undue pressure on programs
  - To select applicants before all interviews are complete
  - To make appointments earlier and earlier each year

## ***It produces convenient, useful specialty-specific data***

**NRMP**

National Resident Matching Program

# Specialties Matching Service Participation Criteria

***Programs must meet one of the following criteria:***

- Accredited by the ACGME
- Affiliated with an ACGME-accredited program in the core discipline
- Lead to specialty certification or oversight by an ABMS-recognized certifying board

***NRMP IO (ACGME DIO) must assume oversight***

# Fellowship Sponsor Agreement Annual Commitment

- At least 75% of programs with available positions will be registered in the Match
- These programs will actively participate by submitting rank order lists of applicants
- At least 75% of the available positions within the subspecialty will be in the Match

The National Resident Matching Program (NRMP) is a private, not-for-profit corporation established in 1952 to provide a uniform date of appointment to positions in graduate medical education (GME) in the United States.

#### NEWS FROM THE NRMP!

#### **New>** SUPPLEMENTAL OFFER AND ACCEPTANCE PROGRAM

During Match Week 2012 the National Resident Matching Program launched the Match Week Supplemental Offer and Acceptance Program (SOAP) that was designed to replace the Scramble and provide an equitable, transparent, and orderly process for applying to, offering, and accepting positions in programs that did not fill in the algorithm phase of the Main Residency Match. In its inaugural run, SOAP accomplished those objectives. Ninety-three percent of unfilled positions were placed in SOAP. By the end of the two, day-one offer rounds, 76 percent of SOAP positions had been filled, rising to 91 percent by the time SOAP concluded on Friday. Statistics for SOAP and the 2012 Main Residency Match are shown in the [PowerPoint](#) presentation used by NRMP Executive Director Mona M. Signer during her presentation at the spring meetings of medical school staff and residency program directors.

SOAP would not have been successful without the hard work and dedication of many people. The Scramble Work Group, including co-chairs Hal Jenson, M.D., M.B.A. and Michael Kavan, Ph.D., along with Richard Hoffman, M.D., M.P.H., John Potts, M.D., Scott Schroth, M.D., M.P.H., Henry Schultz, M.D., and Stephen Seeling, J.D., worked collaboratively to ensure SOAP was founded on strong principles and policies. NRMP staff, including Waldo Wentz, Nicole Nitowski, Laurie Curtin, Stephanie Bartek, Wanda Bradley, Deirdre Lee, Russette Parker, Sarah Posey, and April Williams expertly tested the SOAP application, developed educational materials, and fielded inquiries to ensure the best possible experience for

#### MAIN RESIDENCY MATCH

The 2012 *Main Residency Match* was the largest in NRMP history. More than 38,000 applicants vied for 26,772 PGY-1 and PGY-2 positions. In addition, the NRMP debuted the Match Week **Supplemental Offer and Acceptance Program<sup>SM</sup>**, a new system designed to automate, streamline and equalize the process for unmatched applicants seeking unfilled positions. The [press release](#) and [data tables](#) tell the story.

#### COMMUNICATIONS

#### DATA AND REPORTS

Visit the [Data and Reports](#) section for recent reports and historic NRMP match data.

#### [Charting Outcomes in The Match](#) (Characteristics of Applicants Who Matched to Their Preferred Specialty in the 2011 NRMP *Main Residency Match* (4th edition) (PDF, 268 pages)

The NRMP and the AAMC are pleased to announce the 4th edition of "Charting Outcomes in The Match." The report documents how applicant qualifications affect Match success. Twelve measures are incorporated in this report, including number of contiguous ranks, distinct specialties ranked, USMLE Step 1 and Step 2 CK scores, number of research experiences, publications, work and volunteer experiences, percent of applicants with AOA membership, and graduate degrees. These measures are calculated for all applicants and for each specialty.

My Rank Order List Find & Add Applicants Import Applicant List

- You may add Applicants to the list by entering their NRMP ID

**Please Enter Your Authentication Information** ✕

You have 3 applicants ranked.

The Match Participation Agreement to which you affixed your password during registration states that the listing of an applicant on your certified rank order list establishes a binding commitment to offer an appointment if a match results. Failure to honor that commitment may result in penalties as described in the NRMP's Violations Policy.

To have your rank order list included in the Match, you must complete the certification process by entering your password below and clicking the Submit button.

# The Match Participation Agreement

## Match Participation Agreement For Institutions

For All Matches Opening After June 30, 2012

### Terms and Conditions of the Match Participation Agreement Between Participating Institutions and the NRMP

These are the terms and conditions of the Institutional Match Participation Agreement that each institution desiring to offer residency or fellowship positions in the **Main Residency Match<sup>SM</sup>** or the **Specialties Matching Service<sup>SM</sup>** (also referred to as the "Matching Program") of the National Resident Matching Program<sup>®</sup> ("NRMP<sup>®</sup>") enters into by indicating acceptance of these terms and conditions through clicking on the I Accept button on the Registration screen of this web site (the "Match Site"). Upon the NRMP's acceptance of such party's registration, these terms and conditions will be a binding agreement between such institution and the NRMP, as well as between such institution and any other party who executes a Match Participation Agreement for such Match(es).

If the NRMP accepts the registration of the institution in question, the NRMP will register the institution and allow any of such institution's eligible programs to register in the NRMP Matching Program, as described briefly in [Section 1.0](#) below. In consideration of this registration, each institution agrees to comply with all of the terms and conditions of this Institutional Match Participation Agreement (also referred to in these terms and conditions as "this Agreement").

# The Match Commitment

## Section 5.1:

*“The listing of an applicant by a program on its certified rank order list or of a program by an applicant on the applicant's certified rank order list establishes a binding commitment to offer or to accept an appointment if a match results and to begin training on the date specified in the contract.*”

*Failure to honor this commitment by either party participating in a match will be a breach of this Agreement and may result in penalties to the breaching program or applicant.....”*

*In limited circumstances, the NRMP may grant a waiver of the match commitment.*

# Match Waivers

## Applicants:

- Hardship
- Change of specialty: must be requested by January 15
- Completion of residency postponed

## Programs:

- Loss of funding
- Loss of accreditation
- Hardship

***Waivers must be requested from, and can be granted only by, the NRMP.***

### Institution & Program Violations

This report displays information about graduate medical education institutions and programs that have violated the National Resident Matching Program's Match Participation Agreement. Institution and program information is displayed permanently on the Institution and Program

#### Institution Violations

Match	Institution
PEDA 2011	Medical College Hospital of America
<i>Statement:</i> The Pain Medicine program at the Medical College Hospital of America offered a position to an applicant who had matched to a concurrent year position in a Pediatric Anesthesiology program and had not been granted a waiver by the NRMP. The Match Participation Agreement for Institutions requires institutional officials to ensure that none of the programs sponsored by the institution discusses, interviews, or offers a position to an applicant who has matched to a concurrent year position.	
<i>Sanction:</i> The NRMP has notified the Chief Executive Officer of the Medical College Hospital of America and the Accreditation Council for Graduate Medical Education for distribution to the Institutional Review Committee, in accordance with the NRMP's Violations Policy.	
MAIN 2009	University Hospital Center of Medicine
<i>Statement:</i> The Urology program at the Univ. Hospital Center of Medicine instructed a U.S. allopathic senior student to withdraw from the 2009 Main Residency Match based on his AUA match. Section 4.2 of the Match Agreement for Institutions requires institutions to agree that all its programs will offer positions to U.S. allopathic senior students only through the Matching Program or another national matching plan, including
