

FAER Update 2014

*Moving Medicine Forward through
Knowledge Creation*

Denham S Ward, MD, PhD
President & CEO

“...without research the
profession of anesthesiology is
in danger of becoming a trade
union.”

Reeves JG, Greene NM.
Anesthesiology and the Academic Medical
Center: Place and Promise at the Start of
the New Millennium.
2000, Philadelphia, PA. Lippincott
Williams & Wilkins

2014 MRTG / RFG/ REG

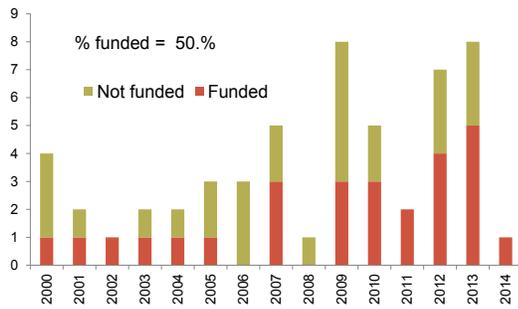

2013 MRTG / RFG/ REG

Health Services Research

Clinical / Translational Research

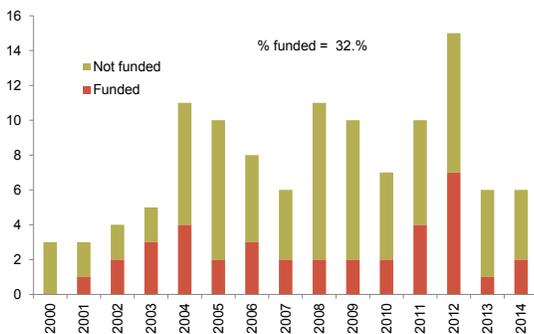

Basic Science Research

FAER Research in Education Grant

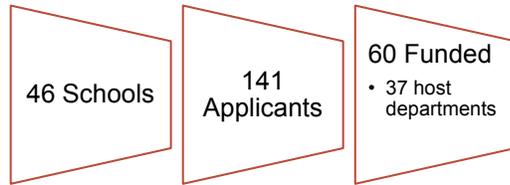

- Two-year, \$100,000 grant
- Anesthesiology faculty members of any rank
- Requires 40% research time

“If there is a flaw in the recruitment of research-oriented residents, it lies in our ability to attract the best applicants, not in our selection process. This is where we should direct our effort.”

Fleisher et al.
 What are we looking for? The question of resident selection
 Anesthesiology 2012

2014 Summer MSARF

2013 Summer MSARF

2014 MSARF Year-Long
